Blue Bell, PA19422

Dear Gerry:

Thank you so much for your participation in our 2nd Annual Historic Homes Seminar.

Your evaluations from the attendees were universally positive. Indeed, the only angry remarks we received were because your presentation was shortened by our technical snag! Oh, and thank you also for "The show must go on attitude."

It is great working with you.

Sincerely,

Arlene Puentes
Chair, 2nd Annual HVASHI Historic Homes Seminar
