Mr. Gerry Aubrey  
Blue Bell Consulting, Inc.  
1517 Daws Road  
Blue Bell, PA 19422

Dear Mr. Aubrey:

Your presentation at the PRO ASHI conference was by far the best roofing seminar that I have attended. It will enable me to better serve my clients by providing more detailed information concerning defects and corrective procedures.

Enclosed is an article from the Journal of Light Construction that I often include in my inspection reports for clients who express concern about roof stains.

Best Regards,

Charles Oxford
